Dear Pat,

I know its been some time since you wrote to me about Levi Allygood of Perry Co., Mo.; but I've finally gotten to answer. First, let me ask, what are your connections to the Allygood family, if any? Here is the "Marriage" book going? I'm searching for all the information < 1900 on the Allygood family anywhere, Miss., Ga., Ala., Ky, Va, Ind., where ever they wandered. The Allygoods originated (in U.S.) in Virginia, Mecklenburg Co. but they scattered to the winds within 3 generations and haven't ceased to spread and multiply.

As for Levi Allygood - the only Levi that I have records was from Elbert Co., Ga. He married "1" Mary Ann Downer (2) Louisa Downer (sister to #1) 3. Ellen Susan Johnson.

This seems a long way from your Levi.

I have searched my files through and there doesn't appear to be another, except one that is buried at a small church in Western Lincoln County; Casenville.

I will keep looking and if another

Come up I'll let you know, and
I would appreciate any Alford info.
that you might have, OK?

Jim Smith
